

Dear Alumni,

Greetings from the Institute for Social and Economic Change!

With immense excitement and pride, we would like to remind you that the Institute for Social and Economic Change (ISEC) has completed 50 years of its journey. On this occasion of the Golden Jubilee Year, ISEC invites its alumni to join the celebration and its associated activities.

As part of this, we are looking forward to strengthening our association with our alumni and to create a platform for continuous interaction and collaboration. Towards this, we are thinking of updating and expanding the existing institutional alumni database by collecting up-to-date information from you through an online Microsoft form. This updated information will help us to reach our alumni and invite them to be part of ongoing as well as future events at ISEC.

To celebrate its Golden Jubilee Year, the institute is planning to organize an alumni meeting in January 2023. This database will help us to reach all the institute's alumni.

Hence, we request you to join us in this endeavour by providing the latest information by filling in this online form and sending it back to us. Looking forward to deepening our institutional bond and association.

We also make a sincere request to you to share this invitation with other ISEC alumni in your networks and groups for a larger reach.
